

Course Outline (*please complete as appropriate*)

| | |
|-------------------------|-------------------|
| COURSE TITLE | Politics of China |
| NAME OF LECTURER | Zhiqun Zhu |

| | |
|---|--|
| COURSE DESCRIPTION | |
| The rise of China will be a most consequential event in the 21st century. Through readings, discussions, lectures, and movies, this course will help students to make sense of contemporary China its dynamic social and economic developments, its lasting political culture, its enduring struggle for modernization and democracy, and its evolving relations with the outside world. | |
| RECOMMENDED READINGS | |
| Marte Galtung and Stig Stenslie, 49 Myths About China. Roman & Littlefield, 2015. orville Schell and John Delury, Wealth and Power: China's Long March to the Twenty-first Century. Random House, 2013. South China Morning Post BBC/CNN/China Daily news | |
| TEACHING METHODS | |
| Readings, lectures, discussions, movies, games (such as adopting a region in China), individual and/or group projects and presentations depending on class size. | |
| ASSESSMENT METHODS | |
| quizzes, exams, projects (individual or group), class involvement, and final writing assignment. | |
| CLASS TOPICS (<i>each class is 3 hrs</i>) | |
| History, political culture, leadership, the communist party, economics, society, anthropology, foreign policy, China's future and East Asia. | |
| SPECIAL COMMENTS | |
| I have taught the Chinese politics class every year since 2003, with mostly American students but also international students from China, Korea, and Europe. Built upon my experience, I'd love to work with students at KNU summer school and help them become well informed of China and its policies. 해외우수교수초빙강좌 수강 제한 및 유의사항 (Notice for KNU students) a. 2018년 8월 졸업예정자(조기졸업자 포함) b. 국내 타대학 교류학생 c. 재이수의 경우 개강전 수강취소만 가능(7.4-7.5에 한함) d. 해외우수교수초빙강좌 수강과목은 2018.2 학기 수강꾸러미로 신청불가 | |
