The title is surrounded by various colorful illustrations. At the top right, a student uses a magnifying glass over a building. Below that, a student paints a colorful abstract design on an easel. To the right of the word "NATIONAL", a student climbs a ladder next to a large clock face. Below "UNIVERSITY", a group of four students sits together, reading books. At the bottom right, a student in a lab coat works with a molecular model. Other smaller illustrations include a student holding a large yellow paper, a student reading a book, and a student painting a wall.

KNU Introduction

About Kyungpook National University

Kyungpook National University (KNU) is a national comprehensive university established in 1946. It was developed around a preexisting teacher's college, medical school and agricultural college. It then developed into Korea's best university in the fields of IT, agriculture, engineering and business administration. As of October 1, 2020, Kyungpook National University is comprised of 17 colleges and 2 schools, 12 graduate schools and 126 Research Centers. There are 34,867 students in total, 1,204 full-time faculty members and 1,178 administrative staff members, 242,194 graduates.

Student-Centered University

- 79.6 billion won worth of scholarships have been provided to KNU students with 38,075 total beneficiaries and a 63% benefit rate.
- KNU offers opportunities to study in some of the best universities in the world. (University of California, Berkeley, Oxford University, Yale University)

Best Teaching Ability

- The performance of SCI-level theses per professor ranked 1st among national universities in Korea.
- 2 professors in KNU were named on the world's most influential researchers list (HCR).
- 4 professors in KNU published papers in the Journal of Nature and Science.

The First Step Toward KNU

① Orientation for New International Students

For Whom: New Degree-Seeking International Students **When:** Immediately Before the Start of the Semester
※ The Office of International Affairs will announce the date when it is confirmed.
Events: Introduction of KNU, Course Registration, ARC, Insurance, etc. **Languages:** Korean, English and Chinese

② Student ID Cards

Mobile Student ID Card, KNUPIA

1 Access YES Site <http://yes.knu.ac.kr>

2 Upload/Change your Photo (Photo must be a JPG file and the size should be smaller than 100KB)

- Access the YES System
- Select Language Option "Korean" or "English"
- Click "학적 (University Register)" → Click "개인정보 (Personal Information)" → Click "사진변경신청 (Request for Change of Photo)"
- Upload your Photo by Clicking the "파일선택 (Select File)" Button
- Check Uploaded File on your YES System
- Click "신청 (Application)" and Click "확인 (Confirmation)"

3 Download the Mobile Application "KNUPIA"

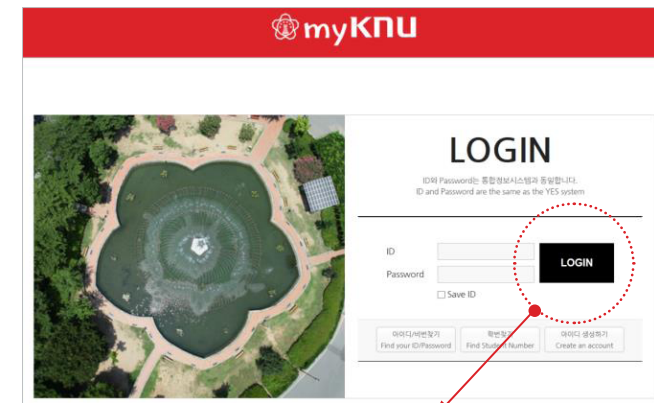

※ Type in Student ID (학번), YES ID (아이디) and Password (비밀번호)
* Student ID is the same as YES ID

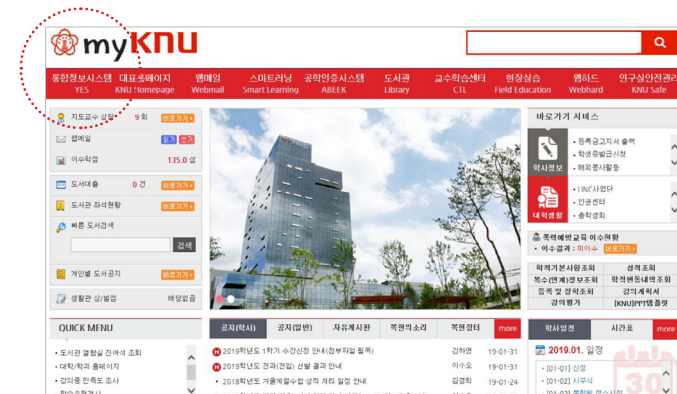

4 Click "Mobile Student ID (모바일 학생증)"① → Click "동의합니다 (Agree)"② → Click "신청 (Yes)"③

3 Student Portal System (YES System)

Input your ID and Password, click **LOGIN** button

Main Service | Personal Information, Academic Information, Scholarships etc.
Supported Languages | Korean, English

Student Card with Daegu Bank Debit Card

Must meet the following two conditions

1) Must have an ARC Number and 2) Must Have Opened your own Bank Account at Daegu Bank

1 YES Portal System (YES) <http://yes.knu.ac.kr>

2 Click "학생생활 (Student Life)" → Click "학생증발급신청 (Request for Student IDs)" on the left side of the screen

3 Confirm your personal information

- * You must upload a photo
- * Input your name in Chinese characters or in English

4 Select "은행연계학생증신청 (Student ID Card with Bank Account)"

5 Once the application is complete, check the status through the system (학생증신청내역, ID card application details)

6 When the status changes to "은행방문 (Visit Bank)", visit any branch of Daegu Bank
→ Fill out the form titled "서면발급신청서" (Bring a 3x4cm photo and your ID card)

7 It takes about 7 - 10 days after submitting "서면발급신청서" to get the card

- * Students have to visit a bank (KNU branch or KNU Hospital branch) individually to get it (The staff from the OIA will receive the cards and give them to new international students who entered KNU in the spring semester)
- * Students of the Sangju campus can get it from 행정지원부 (T. 054-530-1501)

Student Administration

1 Curriculum Completion

1. Subject Classification

① General Category of Subject

Liberal arts, liberal arts required (CheomSung-In Basic, CheomSung-In Core), majors, majors required

② Other Subject Classification

- Teaching Course: Subjects to be completed in related departments of teaching certificates and the College of Education
- Major Recognition: Other department (major) subjects which can be recognized as pertaining to the major

③ General Selective Subject

Complete another major in addition to their first major

Basic Literacy (specialized liberal arts), majors, engineering majors (additional subjects required by the departments that implement the engineering certification system)

2. Completed Credits

- ① The credits of completion subject are awarded
- ② 1 credit is defined as 15 hours or longer of classes over one semester (30 hours or longer of classes in research, practice or field practice)
- ③ Regarding major practical subjects where in there is only one student in a class, 15 hours or longer of classes during one semester is awarded as 1 credit
 - ※ International graduate students can select one subject among Korean language classes as a prerequisite class in every semester
 - ※ The credits of prerequisite classes will not be count towards graduation

2 Academic Performance Evaluation

1. Evaluation Method

Evaluation grades and points are shown in the following table. Grades of D- or better are awarded credits
The average GPA of all subjects required for Bachelors' graduation and completion must be at least 1.7
(The minimum grade is 1.9 for the College of Education, 2.0 for the Department of Pharmacy and Department of Business Administration)

Percentage	Grade	GPA Points	Percentage	Grade	GPA Points
97~100	A+	4.3	77~79	C+	2.3
94~96	A0	4.0	74~76	C0	2.0
90~93	A-	3.7	70~73	C-	1.7
87~89	B+	3.3	67~69	D+	1.3
84~86	B0	3.0	64~66	D0	1.0
80~83	B-	2.7	60~63	D-	0.7
			Lower than 60	F	0

- ① The distribution of grades shall be based on relative evaluation, and the distribution ratio by grade shall be as follows

Division	Class A	Class A + Class B	C or lower
Liberal Arts, Major, Teaching	Within 30%	Within 30% - 70%	Over 70%

- The grades are evaluated by compiling test scores, attendance, assignments and student behavior
- The grades of those who do not attend more than three-quarters of each subject will be defaulted to "F"

② Subjects recommended for relative evaluation

Lectures by foreign professors, classes conducted in English, classes with fewer than 10 students, classes with experiments · practical training and practice

③ Students excluded from relative evaluation

Students on a leave of absence, athletes specialists, honorary degree students, exchange students in other universities, graduate students, international students

④ Absolute evaluation courses

Field practice subjects, teaching classes with fewer than 10 students and all graduate classes

2. Checking Evaluation Results

3 Course Registration

1. Course Registration

Before the start of every semester, students pick classes according to the guidance of their department and registrar through a specific registration site or the YES system, respectively (The Office of International Affairs will register incoming undergraduate students for their first semester)

2. Accessing the Registration Site (<http://sugang.knu.ac.kr>)

Chapter 4. Academic Regulations for Graduate Students

Section 1: Admission, Changing Department, Classes and Years of Study

Article 69 (Admission Requirements)

- ① A person eligible to enter a graduate school shall be admitted through the admission process and must meet either of the following requirements: <amended on Dec. 15th, 2006>
 1. Master's Program (including Combined Master's & Doctoral Programs): those who have an undergraduate or equivalent degree that is legally recognized.
 2. Doctoral Program: those who have a master's degree or are recognized by law to have an equivalent or higher educational background. However, the law department of the Graduate School of Law only accepts a person who has a master's degree in law, a Juris Doctor degree, or can be recognized to have an equivalent or higher degree. <amended on Feb. 27th, 2009>
- ② Full time faculty members of KNU (excluding TAs and RAs) are not eligible for KNU graduate programs. In case of academic necessity, however, he or she can take a leave of absence while studying with the approval of the president.
- ③ Applicants can apply for master's programs regardless of the major completed in the bachelor's course.
- ④ In principle, the doctoral course which an applicant applies for shall be the same as the one completed in the master's course. An applicant who wants to apply for a doctoral program in an area different from that of the Master's degree must get a recommendation from the head of the department to which he or she is applying.

Article 69-2 (Changing Departments)

- ① Changing departments (including a change of major) is allowed only once while attending the General Graduate School to students who have completed at least one semester. The details of operation of changing department shall be determined by 'Kyungpook National University Change of Department Regulations,' <newly enacted on Jan. 20th, 2020>

Article 70 (Classes)

- ① Classes for General and Professional Graduate Schools are held during daytime hours. <amended on Aug. 25th 1999, Feb. 15th 2005> Classes for Special Graduate School are conducted at night.

Article 71 (Years of Study)

- ① The terms of classes of General Graduate Schools shall be two years for master's courses, two years for doctoral courses, and four years for master's and doctoral combined courses. <amended on Feb. 23rd, 2007>
- ② The terms of classes of Special Graduate Schools shall be two years and six months. <newly established on Feb. 23rd, 2007>
- ③ In cases where a student's previously acquired credits satisfy the required course credits, and their GPA is over 4.2, the course length can be reduced by six months in the case of a Master's or PhD program, and one year in the case of a combined Master's/PhD program. <amended on Feb. 27 and 29, 2008>

Article 72 (The Period of Attendance)

- ① The maximum period of attendance at the general graduate school is set at three years for a Master's course, five years for Doctor's degree, and six years for a combined Master's and PhD.
- ② For international students, overseas residents and others with special circumstances or who get official permission from the President of KNU, the period of attendance can be extended for one additional year regardless of the first clause. <newly enacted on Mar. 24th, 1998>
- ③ For re-admitted students, the previous registered years are added to the sum total period.
- ④ A leave of absence period is not included in the total attendant period.

Section 2: Completion and the Awarding of a Degree

Article 73 (Required Credits)

- ① The required credits of a general graduate school shall be as follows:
 1. Students must earn 24 credits or more for a Master's degree. Students majoring in Business Administration must earn 30 credits or more.
 2. Students must earn 36 credits or more for a PhD for a combined total of 60 credits or more including credits earned from their Master's program.
 3. Students must earn 60 credits or more for a combined Master's/PhD program.

Article 74 (Credits Taken as Prerequisites)

- ① Students pursuing certificates that require prerequisite courses (such as major or teaching certification courses) may take up to 3 course credits per semester from related graduate or undergraduate courses.
- ② Credits earned for prerequisite courses are not added to the required MA or PhD program credits.

Article 75 (Approval of Credits)

- ① The approval of credits that graduate students (excluding those who have a master's degree in law at the Graduate School of Law) can receive in a course are as follows:
 1. Up to half of approved credits earned from other university graduate schools or research centers can be accepted as required course credits by the student's own department or division. There is no limitation for students associated with the military. <amended on Feb. 28th, 2011>
 2. Up to 9 credits earned during undergraduate studies can be used as graduate course credits pending final approval by the university department or division.
 3. Up to 9 MA credits and up to 12 PhD credits or combined MA-PhD credits taken from other universities or other departments at KNU prior to admission can be counted, pending final approval from the head of the respective department or division.

Article 76 (Course Registration)

- ① Course registration in each semester shall be based on the following <amended Feb. 23th 2007, Dec. 3rd 2007, and Feb. 29th 2008>:
 1. Students of the General Graduate School and the PhD students of the Graduate School of Law can take up to 9 course credits every semester. <revised on Feb. 27th 2009, Feb.29th 2012>
- ② Additional credits are permitted to students who meet the following conditions and the maximum credits per semester shall be as follows:
 1. The General Graduate School and PhD courses of the Graduate School of Law: Students who acquire a GPA of 4.0 or higher in the previous semester or who are taking prerequisite courses can take up to 12 credits.
 2. The Special Graduate School (excluding the Graduate School of Business Administration): Students who acquire a GPA of 4.0 or higher in the previous semester or who are taking prerequisite courses can take up to 10 credits.
- ④ The Head of Department has the authority to restrict course registration to 6 credits for students who are employed, except for research credits. <amended on Feb. 23rd, 2007>

Article 76-2 (Academic Supervision for Transfer Students)

If there is a vacancy in the quota for each degree course of graduate school, a transfer may be granted, and the academic supervision shall be as follows <newly enacted on Aug. 11st, 2004>:

1. The transfer period may be recognized up to one-half of the period of attendance.
2. Up to three-quarters of the credits may be accepted.
3. The period of attendance shall be the period during which the period of attendance for each degree course has reduced by the period of accreditation under the Article 76-2.1.

4. If the average score of credits completed after the transfer is 2.7 or higher, approval is granted for the completion of coursework.
5. The entire period of leave of absence may be permitted within the limit of the period of attendance after the transfer.

Article 77 (Time of Coursework Completion)

The last day of the enrolled semester shall be recognized as the official completion of coursework.

Article 78 (Degree Granting)

Refer to 「the Kyungpook National University's Rules for Degree Granting」

Article 78-2 (Degree Granting for Students Withdrawing from Combined Master's & Doctoral Program)

- ① If the requirements of Article 73 (1) or (2) are met, a corresponding degree can be awarded to those who withdraw from the Combined Master's & Doctoral Programs.

Article 78-3

(Degree Granting for Students Who Have Completed the Coursework of the Combined Master's & Doctoral Program)

If a student in a Combined Master's & Doctoral Program, who has not obtained a Ph.D., meets the requirements for granting a master's degree, the relevant degree can be awarded.

Section 3: Research Students and Research Programs

Article 80 (Research Students)

- ① Those who want to take specific subjects or tasks can be admitted as research students.
- ② The admission period for research students is within 30 days of the beginning of each semester. <amended on Aug. 25th, 1999>
- ③ If a research student completes a subject or assignment and passes a certain test, he/she can acquire a certificate of research performance.
Detailed information concerning the admission of research students will be decided separately by the president.

2 Introduction to Daegu

Located in the southeastern part of the Korean Peninsula about 290 km south of Seoul, and about 110 km north of Busan, Daegu is a central city in the inland Gyeongsang region. With a population of 2.5 million residents, Daegu is a metropolitan city, composed of 7 Districts and 1 County with an area of 883.5km². As a basin city, surrounded by Mt. Palgongsan and Mt. Biseulsan, Daegu is hot in summer and cold in winter. However, the Sincheon Stream passes through and the Nakdong River runs around the city, both of which make the city a nice place to live. Additionally, a diverse transportation infrastructure composed of railroads, highways, airways and subways is well developed in Daegu. The City features the best quality transportation network in the nation. Daegu is connected by several highways, such as Gyeongbu, Jungang, and Dalbit, and it is also the place where two major railways meet. Recently, Daegu has successfully hosted various international events, which include the IAAF World Championships 2011; 2013 World Energy Congress; 2014 Daegu International Marathon; 2015 World Water Forum; 2016 Korea International Water Week; Daegu International Future Auto EXPO, and Culture City of East Asia in 2017.

Daegu, a city for patriots, is the birth place of 3 major revolutions and related movements, which advanced the country. These are the National Debt Repayment Movement, the Feb 28 Democratic Movement, and patriot revolution. Documents from National Debt Repayment Movement were registered as a UNESCO Memory of the World, and Daegu joined the list of UNESCO Music Creative

Cities Network in 2017. All of these served as momentum to introduce the great spirit and culture of Daegu to the world. Every year, a variety of festivals and events take place in Daegu, attracting lots of domestic and international tourists to the city, including the Colorful Daegu Festival, Daegu International Music Festival, Chimaec Festival and Daegu International Opera Festival. As a leading city for the 4th Industrial Revolution in areas such as future auto, water, medicine, energy, robotics and IOT, Daegu is taking a leap as an international city in the world.

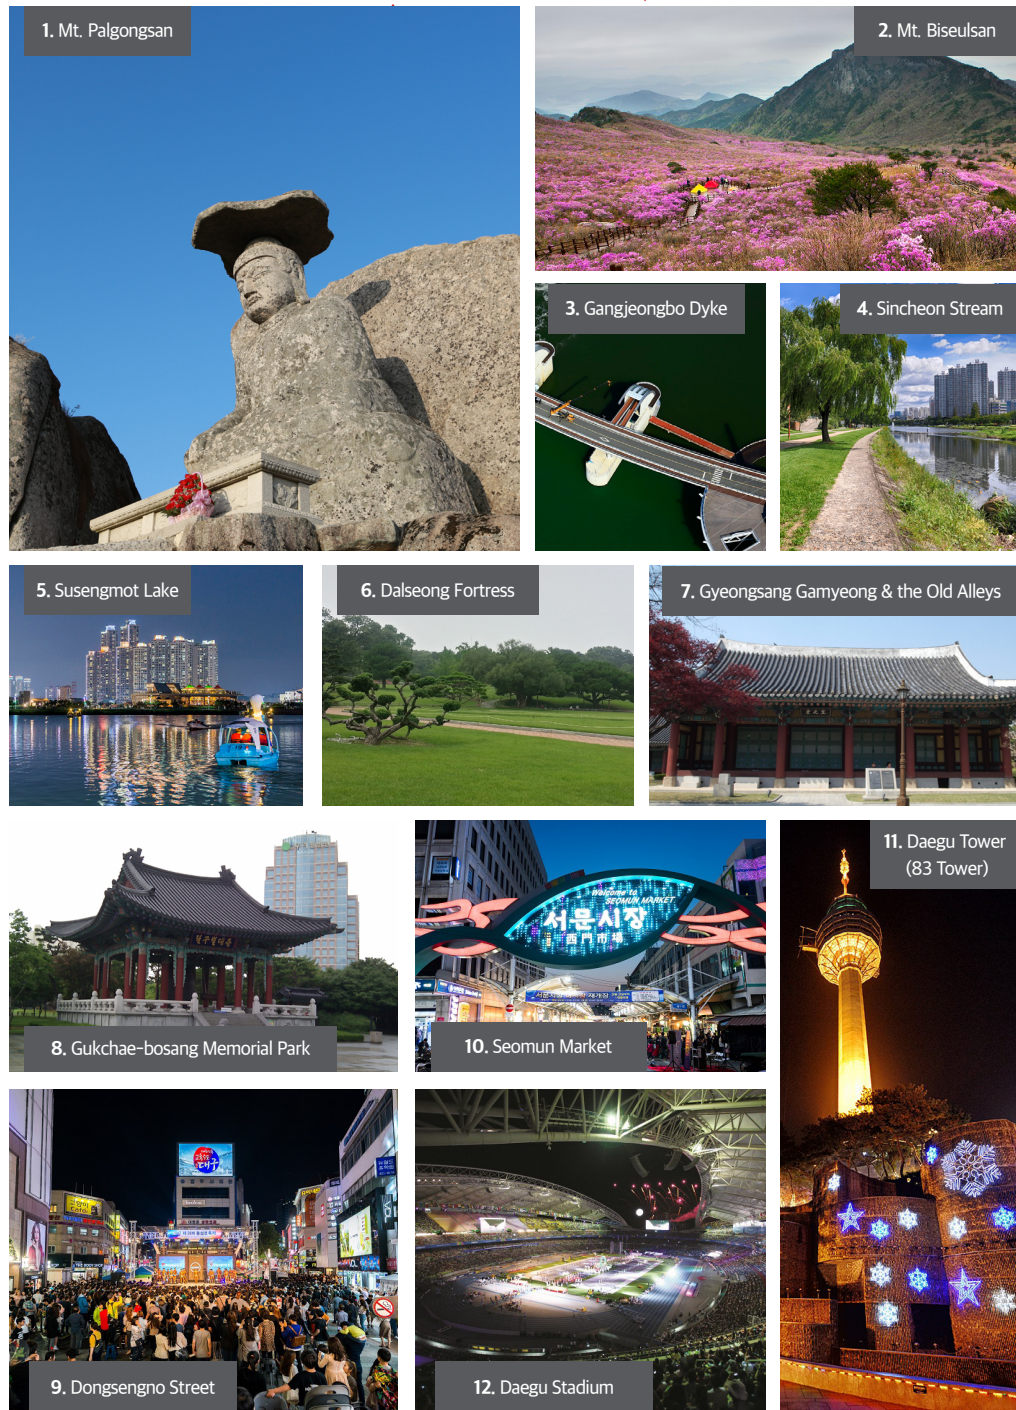

• Areas / Population
