

2026 SPRING Global Internship Program

Program Overview

The Goal of the Program

KNU extends a unique opportunity to international exchange and double degree students, allowing them to delve into the experience of Korean enterprises and immerse themselves in the rich local culture through our esteemed Global Internship Program. This initiative not only equips students with valuable insights into the workings of Korean businesses but also opens doors to a diverse array of experiences beyond academic work at KNU.

Types of Internship

Type A (Spring)	12 hours per week (Part-time), March to June 2026
-----------------	---------------------------------------------------

*Each company provides different types of internships.

*Working hours are subject to change.

Internship Logistics

The Global Internship is unpaid. Internship participants will be given financial support in the form of transport and meal allowances.

Credit Options

Credits are unavailable for participation in the Global Internship. However, KNU will issue the Global Internship Certificate for those who complete the program. If you require internship credits, you must contact your mobility advisor at your home university and check if academic credits can be awarded by submitting an internship certificate issued by KNU.

To receive an internship certificate, you must fulfill the requirements: 1) Submit an evidence-based internship portfolio, and 2) Receive a 'satisfactory result document' from the internship supervisor evaluation. Further instructions will be provided to those who pass the interview.

Things to Know

- KNU only acts as an intermediary between local companies/institutions and international students. Applying for the Global Internship does not guarantee your internship placement.
- It is possible to do a semester internship and then continue a full-time internship for the winter break at the same company depending on the company's demand.
- Students studying for a Master's Degree can apply for the Global Internship.
